About MyTimeEquity (MTE)

MyTimeEquity is a Registered Investment Advisor (RIA) firm based in Plano, Texas. We specialize in actively managed investment strategies that combine asset diversification with time-based allocation models. Our approach focuses on disciplined, data-driven decision-making to help clients navigate changing market conditions.

Internship Overview

This internship offers hands-on exposure to the financial services industry, with a focus on wealth management, client relationships, and firm operations. Interns will work alongside team members to gain practical insight into portfolio strategies and the client lifecycle.

The program concludes with a final presentation to senior leadership, where interns will showcase their understanding of wealth management and client processes.

Key Responsibilities

- Research markets, investment products, and portfolio strategies
- Assist with client onboarding processes and internal workflows
- Participate in discussions on portfolio construction and risk management
- Attend team meetings to understand firm operations
- Contribute to a final project covering client onboarding and investment processes

What You Will Gain

- Real-world exposure to investment strategies and portfolio management
- Mentorship from professionals in the financial services industry
- Insight into the operations of a Registered Investment Advisor
- Hands-on experience with client onboarding and investment processes
- Certificate of Completion

Who Should Apply
